Enclosure No two

Sir,

I have the honour to state that the Municipal Council of Belur have proposed taking under the Municipal management, the King George Coronation Hall building at Belur together with the available furniture.

The Hall was built at a cost of Rs. 8000/- raised from private subscriptions in commemoration of the Coronation Darbar held at Delhi by their Majesties King George and Queen Mary on the 12th of December 1911.

The furniture and lights with glass have cost nearly Rs 600/-, and Rs 500/- was also contributed, out of the subscription raised, towards the construction of the Hassan Coronation Institute

The work of collection and the construction of the building was undertaken by a Committee appointed for the purpose. The plan and the estimate were prepared by the D. P. W. Subordinates in consultation with the Executive Engi

Engineer and approved by the Deputy C
was also inspected from time to tim by the Executive Engineer.

A Reading room has also been attached to the Hall so that it may be of constant use to the public.

After its construction, the building was being till now looked after by a Committee appointed for the purpose, and the cost was being met from the surplus amount available, and it is now reported that there is no sum at the credit of the building.

The Committee which was hitherto looking after the building now represent that, on account of nil balance out of the subscription amount, they are no longer able to maintain the building, and that it may be taken over to the Municipality

Provision for the entertainment of a caretaker, on Rs.6/- per mensem to look after the building in question has also been made in the Current year's budget of the Belur Municipality.

The building is a spacious and decent one. The Dewan during his tour last year held a Darbar in the said building.

I request therefore, under the circumstances explained, that you will be so good as to obtain the early sanction of Government in the matter of taking over the building with the furniture etc., available by the Municipality, and to the entertainment of a caretaker referred to above.

Copies of the Municipal resolution of the Belur Council passed in the matter and the list of furniture etc., available are herewith submitted for reference.

I have the honour to be

Sir,

Your most obedient servant.

Deputy Commissioner and
President, Hassan District.
